

## Identify Pet Assure Members

Members may present a physical identification card, a print-out of the card from our website or a digital version. The card can be directly from Pet Assure, or it can be a group card with the Pet Assure logo on the front or back.

## Apply Discount

You and the cardholder do not fill out any forms. On the customer's invoice, simply apply a 25% discount to your standard fees for all **in-house medical services**.

*Examples: Exams, vaccinations, dental cleanings, medications administered during visit, x-rays, surgeries and elective procedures. Not to be combined with other discounts, coupons or service packages.*

### You are not required to discount:

- Products or medications sent home with the client
- Outsourced services, such as lab work that is sent out
- Non-medical services such as grooming or boarding

## Validate a Pet Assure Membership

You can check if a card is active at [dvmnetwork.com/validate](http://dvmnetwork.com/validate) or by calling our 24/7 Verification Hotline at (800) 940-3912.
